Big News

From

Littleton United Methodist Church

Grace and peace to you from God our Father and the Lord Jesus Christ. While the summer season may be rapidly coming to its conclusion, the church, on the other hand, is preparing for numerous autumnal activities. You will undoubtedly read about a number of them in this issue. That said, there are a few I would like to highlight. On September 20th, STOP HUNGER NOW will be returning to LUMC for another packaging event. The event is sponsored by the Missions Committee. Hopefully, we will have as much, if not more, participation than we had the last time. We need to keep in both our minds and our hearts that there are those suffering without even the basic necessities. Our present economic down-turn coupled with the global food crisis makes our ministry in this area even more appropriate.

Second, on September 22, there will be a meeting of the first-ever Covenant Discipleship Group at LUMC. The Covenant Discipleship Group is not a committee but a group of people who covenant (agree) together to reach out in mission and ministry and to grow in their faith along the Wesleyan model. My prayer is that we will have a number of folks who are willing to participate in this wonderful experience or at least hear about it.

Finally, on October 11th we will continue our broader outreach to children and our local community by hosting "The Great Pumpkin Caper". The "caper" will take the place of our Fall Festival for Children. As always, there are numerous ways that you can give of your time, talents and treasure to our community. Littleton United Methodist Church is a place filled with incredibly gifted people who are determined to move forward in God's grace toward the kingdom. While there may be times we do not always agree as God's people, we must remember that as

the "community of the baptized" we are united in Christ's death and resurrection. It is the only death and resurrection we can know, and it affirms and indicts us at the very same time. Let us reflect in the coming months how our actions and attitudes reveal Christ and his loving sacrifice or how they obscure him.

Yours in Christ,

Pastor Rob Licht

You will find four descriptions of Bible Studies below. If you are interested in one or more of them, you will need to indicate that interest on the slips provided in your worship bulletin over the next few weeks. The study which garners the most interest will be the study which is offered.

DISCIPLE I- This course is a general survey of the entire Bible. Over a 32 week period, the various themes found in the Old and New Testaments will be explored.

CREDO: The word "credo" is the ancient Latin word meaning "I believe." During this course, we will use a modified version of the Christian Believer Curriculum along with the Apostles Creed as an outline in order to explore the basic theological beliefs of our Christian Faith. For anyone who would like to go through Confirmation Class as an adult, or feels they would like to have a refresher, this is the course for you.

CHRIST PLAYS IN TEN THOUSAND PLACES: In this course, we will read together the book entitled *Christ Plays in Ten Thousand Places: A Conversation on Spiritual*

Theology. The book is written by Eugene Peterson who is also the author of *The Message*. The reading of the book will be accompanied by use of a study guide and our Holy Scriptures.

ECCLIPSING EMPIRE: This study will trace the Apostle Paul's foot steps throughout the Roman Empire and will explore fresh insights into Paul's message of the Kingdom of God, its challenge to Roman imperial theology and the apostle's radical relevance for today.

News from the Staff Pastor Parish Relations Committee

Mary M. Reilly

It is with great sadness that we announce that as of Sunday, August 31, Sue Beazley will be retiring as the Choir Director and pianist for our church after over 15 years. Sue has blessed us for many years with her talents, gifts and graces which she has unselfishly shared with all who know her. Sue has put in many, many hours of her time working with the pastor on the hymns for each Sunday along with finding the proper anthem for the choir and rehearsing with them every Wednesday night. We are all very grateful for her years of leadership and to her contribution to the church and to the Kingdom of God. Thank you, Sue, and may God bless your life as you have blessed ours.

It's a new way of growing your faith with the help and support of others that want to do the same thing.

Under guidance of the Holy Spirit we will be witnesses of Jesus' in the world, following His teachings through acts of compassion, justice, worship, and devotion.

We will discover and appreciate our own spiritual gifts, given to us by Jesus.

This is a Methodist teaching of John Wesley. Your understanding of God's Will shall be greatly enhanced. If this is what you would like in your life, please join with us, grow with us and learn with us.

Our first meeting will be on Mon Sept 22 at 11:00a.m. in the board room. For other information call Helen 586-4682.

Outreach Committee

Helen Burtchell,
Chairperson

Your Outreach Committee is experiencing a busy summer. Besides the monthly food delivery; we gave clothes, cooking utensils, books and various other items to members of our community who are in need.

On August 26th we ran the Blood Bank. It was a long day for us but it was worthwhile. I would tell you how much blood we collected, except I don't know as of this writing. A BIG "THANK YOU" to everyone who provided the cookies and orange juice, to those who gave their time for long hours of service, and especially to those who donated blood. The event was a success.

United Methodist Women

Helen Burtchell, Vice-President
& Marie Fields, Treasurer

Our United Methodist Women do not meet during the summer, but we did have one required study on August 16th.

The study, titled "Mission & Music," was held in our fellowship hall. Pat Ziesman led the study and like always her study was great! Laine Parks, UMW President, handled the lunch for us and it was scrumptious.

A special thank you to Della Batt's daughter, Rebecca, who came and praise danced for us. Everyone enjoyed that so much. It was a fun day of learning and fellowship.

This year the UMW had six ladies participate in the "UMW Reading Program", each of them will receive a certificate at the District meeting. Six participants is the most we have had in several years. To learn more about the UMW Library, which is open to all LUMC members, speak with Shirley Anschutz.

The UMW will resume meeting on September 20th at 10:00a.m. in the Chapel. Pat Ziesman will lead the program. I hope you will join us.

On August 20th the UMW prepared a bereavement meal for the family of Maria Pope. Marie Fields planned the menu and coordinated the UMW helpers.

Marie sends this message: I would like to thank all of those folks who helped provide food for Maria Pope's family after her graveside service. The family and out-of-town friends were very appreciative of the meal and the fact that we thought so much of Maria to do such. Kay handed me a letter that came in with a memorial gift and I included its content below.

"Dear Ladies of Littleton United Methodist Church,

Just a note to say how much we enjoyed the meal you prepared and served to us after the funeral service for Maria Pope.

We are long-time friends of both Bill and

his deceased brother, Crowell, and have been associated with their mother for many years. Maria was quite a lady—very gentle, kind, and loving to all. We'll miss her dearly, as we know you will also.

Thank you for your love of Maria and making it a special time for Bill and his family to remember.

God Bless!

Melvin &
Nancy Hathaway"

In Loving Memory of Maria Pope

Memorial Written by: Matt Johnston

Maria Moucock Pope

1915 – 2008

With sadness we record the death of Maria M. Pope on August 4th 2008, a senior member of our congregation. When Maria married H.E., "Booster", Pope, they established their home in Littleton and she transferred her membership to our church from Tabor United Methodist Church. She was an active and valued member until health issues prevented regular attendance. When she was confined to her home she maintained a vital interest in the activities of the church and the members who were her friends.

Maria was on the Administrative Council numerous times and often served as the secretary. When a Memorials Committee was created, she was an original member. In her role as Chairman of the General Circles she was also in charge of Family Night Suppers and helped to make this time of fellowship an enjoyable tradition. Her love of gardening was expressed in her concern for the grounds of the church

(Continued on page 3)

and parsonage. She took an active role in the care and maintenance of the shrubbery. Her interest in beautification led her family to request that memorial donations made to the church should be used for landscaping needs.

Maria was preceded in death by her husband H.E. Pope, her oldest son Edward Crowell Pope and his wife Helen McPherson Pope. She is survived by her son William Alexander Pope, four grandchildren and seven great grandchildren.

We offer to Maria's family our love and sympathy as well as our gratitude for her years of service to the Littleton United Methodist Church.

Her friend,
Matt Johnston

Shepherding Committee

Liz Solovieff
Chairperson

Pastor Rob led an informative introductory meeting for members who are interested in becoming Shepherds. As Pastor Rob explained, most Christians are strengthened along their faith walk through a relationship of friendship. Through these friendships we not only welcome the newcomer, but we can also help them find a place to live out their particular calling to serve Christ. The work of bringing newcomers into a stronger relationship with Christ and into full and active participation in the church can and should be the responsibility of each of us. Shepherds model the life of a Christian for the person they are shepherding. Your actions, your behavior and your attitudes are revealing about your own spiritual health. People who are earnestly looking for a congregation in which to live out their faith will be able to tell a lot by observing the congregation.

A repeat program is scheduled for September. Please speak with Pastor Rob or myself if you are interested in becoming a Shepherd.

Another project developed by the

Shepherding Committee and with the help of Susan Merchant is a card ministry. We are needing individuals to assist with mailing various cards to members and friends of the congregation for various occasions. The committee has developed special get well cards as well as other occasion cards that are sent on a regular basis. These cards will be sent not only to our shut-ins, but can also be sent to those added to the prayer list, if addresses are provided, as well as for other occasions. Please speak with Jean Houston, or myself if you would like to be involved in this ministry. Postage and cards are provided by the church.

If you are interested in working on a banner which will hang in the sanctuary please contact me. I hope this project will begin by the end of September. You don't need to have excellent sewing skills in order to participate. There's lots to cut, measure and glue. Please speak with me after church or call me at home for more information. Memorials and Bequests

Our church has been blessed by the generosity of many members and friends. Their caring support has greatly enhanced the beauty, comfort and usefulness of our buildings. Gifts have been received as bequests by will. Families often request that donations be made to the Memorial Fund of the church when the obituary is published. We have received both tangible objects and monetary gifts as memorials. In a few instances gifts have been received to honor an individual.

A Memorials Committee was appointed by the Administrative Council more than 30 years ago. At this time the members of this group are George G. Alston, Shirley Anschutz, Matt R. Johnston and Kay S. Newsom. This committee acts as a liaison to use the donations received by the Memorial Fund when a church member or friend dies. In many instances the person remembered had special interests, or his

or her family have suggestions as to the use of the Memorial funds. When a specific need has not been identified the Memorials Committee will make recommendations, or funds are allowed to accumulate for a larger project. Recently funds from the Memorial Fund were used to purchase the new chairs for the Chapel. The family of the late Maria Pope has indicated that funds given in her memory should be used for landscaping, especially the corner of the new parking lot where a sign is to be placed.

In the past two years our church has received generous bequests from Mrs. Edna B. Davidson, Mrs. Elizabeth B. Hubbard and Mrs. Emily S. Hicks. No instructions accompanied these bequests as to use. The Administrative Council decided to establish a policy for the use of undesignated bequests. They have recommended that these funds be allotted or divided in the following manner: 10% for mission activities, 25% for the Church Endowment Fund and 65% to be used at the discretion of the Administrative Council.

Blanket Bee News

Marj Prescott

Margie Drescher will be the new coordinator for the Blanket Bee, beginning this August.

After 11-1/2 years, it is time to pass on the leadership. We are quite a large group - 8 to 10 - and are always looking for more ladies to join us. In the future we will be meeting in the choir room or the boardroom at church - a more centrally located meeting place.

We feel we are helping the world's problems in our own small way by donating knitted and crocheted blankets to those in need (150 or more so far). A huge benefit of the "Bee" has been the fun and camaraderie of our group in this common cause.

Lay Leader's Notes

Tim Townsend, Lay Leader

Sue Beazley has been a great choir director and respected and admired by choir members. She will be missed. She is a talented musician and we have been blessed to have her lead us for over fifteen years. Thank you Sue!!

The SPPR Committee is working hard to find a new choir director. Trudy would also like to have a replacement as organist. Any leads for the committee would be appreciated.

You may not be aware of many other women who have blessed us musically. Annie Sherwood Hawks wrote over 400 hymns including "I Need Thee Every Hour." Sarah Flower Adams wrote "Nearer My God To Thee." Elizabeth Celephane wrote "Beneath the Cross of Jesus." Katherine Hankey authored "I Love to Tell the Story." Cecil Frances Alexander created "Jesus Calls Us O'er the Tumult."

Fanny J. Crosby is perhaps our most familiar woman composer. She was blind and married a blind musician. She wrote thousands of hymn texts on her braille writer.

Seven of these are in our hymnal including "To God Be the Glory," "Rescue the Perishing," and "Blessed Assurance."

Did you know that "Just As I Am," that hymn sung in just about every Billy Graham crusade was written by Charlotte Elliott? She wrote over 150 hymns and was an invalid.

Priscilla Owens wrote "We Have Heard the Joyful Sound" (Jesus Saves). Another surprise--- that wonderful, popular, "America the Beautiful" was created by Katherine Lee Bates after a visit to Pikes Peak.

In 1870 Julia Ward Howe proposed that women organize to end war for all time. She penned words that have stirred our hearts ever since – "Mine Eyes Have Seen the Glory."

Thanks to Sue and other marvelous women, we have been brought closer to God through the inspiration of music. We are blessed indeed!

The Great Pumpkin Caper "Formerly the Fall Festival"

The Committee on Age Level and Family Ministries is busy at work revising the "Fall Festival" to attract a wider age range of kids. Here are some notes from our first meeting:

We decided to change the name from "Fall Festival" to "The Great Pumpkin Caper" in hopes of attracting a larger attendance and give an upbeat theme to the event. Like last year, the event will be held on the second Saturday in October. So, mark your calendars for October 11th, 1:00 - 3:00 PM.

Nine people attended our brainstorming session, and came up with many suggestions for games. We want to stay away from competitive games and lean toward games with group participation and just have a lot of fun.

The kick off would be painting or drawing on pumpkins with washable markers. We still have to experiment to see if the markers will work on pumpkins. We are hoping to get at least 40 pumpkins donated or get a good deal somewhere. Games will be planned to keep everyone occupied as best we can for the full time of the event.

Games and activities suggested so far are:

- Pumpkin face drawing
- Mummy Wrap
- Bobbing for apples

-Dressing many persons with an outrageous costume. Here is where we will have a call for all types of clothing to be donated from our congregation or anyone that has items that they no longer need. We are looking for fancy, casual, torn and tattered, and whatever in all sizes. This can include hats, scarves, old jewelry, gloves, and more. Teams of three or more would do the design work.

-Sand art in a bottle. This again will take more donations of lets say 10oz clear plastic water bottles and sand.

- Water on a spoon
- Water balloon toss

(Continued from page 4)

- Face painting
- Shave the balloon

Rather than have a lot of candy and goodies around, Darla Angel and Kaye Herman are putting together 40 "surprise" bags for the kids to take home after the event.

These are just a few of our thoughts on games and we are still looking for more options and lots of fun-loving volunteers. If you are interested in spending a couple of hours having lots of fun with the kids call me at 252-586-7866.

Trustee's Report-

Shirley Anschutz, Chairperson

The Trustees did not meet this month because of scheduling conflicts.

We are, however, waiting to learn the delivery date of the Fellowship Hall parking lot signs from Lynch's signs. Arrangements need to be made to replace the gutter at the south side of the education building.

We are working on the placement of the landscape timbers along the sidewalk between the north side of the parking lot and US-158.

How to start a Church

There were 25 people in our recent mission trip to Ahuchupan El Salvador in partnership with El Salvador's Methodist Church.. A team of a dozen youth ages 14 - 18 in age, and two teams centered in the Rocky Mount/Wilson and Littleton areas. We planned to build three homes, restock a large amount of non-prescription drugs in the church-run pharmacy and distribute food packages to needy families.

About the end of the second day it dawned

on me that we were actually part of a larger mission. We were part of establishing a new Methodist Church - a church planting.

The effort to start a new church had started in the Spring of 2007. The two current Methodist churches in Ahuchupan had started the old fashion way - knocking on doors. This developed into meeting informally in peoples homes. They are currently holding church services in private homes. Two homes were built this past Spring along with visits from the church's medical clinic. The purchase of a tract of land is being negotiated. It is large enough to build a church, small medical clinic and a preschool. Our part was to build three more homes and have our young people distribute almost 500 grocery bag size packages of basic food items. And to show how our church can travel across borders. As we left, a new team from Durham arrived to continue the work. The home I worked on was the standard 20' x 20' cement block building. Initially it will serve as an interim church, a stepping stone as the congregation grows into a larger church. Then it will become a home. Helping to build a church and home was a bonus for every cement block I carried and bucket of cement I mixed. Another bonus was attending a home church service one evening. I was able to hum along in English as they sang hymns in Spanish. Some forms of communication are easy.

It may take from 3 to 5 years to finish the last of the buildings. It will require some funding from the US Methodist Church, some private donations, a little cash from the local church and a huge investment of sweat equity by the new church family. A very healthy mix.

Coming in the next Nov/Dec newsletter— pictures of Josh Dillard, Lisa Hardy's son, along with his story reflecting on his experience as a teenager on his first mission trip to El-Salvador

Everyone can serve

Look for opportunities to serve; don't wait to be asked! Remember: You can serve without being a part of an "official" ministry. We all can:

- extend the word of welcome, whether or not we are official greeters;
- be listening, caring friends, whether or not we are official lay counselors;
- be ready to give reason for the hope that is in us, whether or not we are on the Shepherding Committee;
- be enthusiastic participants and ready to give a hand, whether or not we are on the Trustee Committee.

News from Pastor Haley

Sherry Watson

Pastor Haley & Binky sent us this picture of Evie Grace. She was born on 10/20/07. This picture was taken about 6 week ago. He said, "she is growing SO fast!" He also said, "we are ready for a few more grandkids." Evie is adorable in her cute summer outfit!! Pastor Haley was looking forward to Evie visiting them soon.

Christian Symbols - IHS

This sacred monogram originally appeared as "IHC," the first three letters of "IHCOYC," the Greek word for Jesus. Over time the Greek "C" was replaced by the Latin "S" to become "IHS." There are many interpretations given to the letters "IHS," including the Latin "Iesus Hominum Salvator" (Jesus, Savior of Men) and the English "I (Christ) Have Suffered."

President's Message

Ed Angel, President Admin. Council

The Aug. Administration Council meeting reported Sunday school will start again on Sept. 7th and that Pastor Rob also has a new Bible study for those who are interested. The new chairs purchased for the chapel were financed from the Memorial fund. The deadline for Charge Conference material is Sept. 14th and the meeting is set for Thurs. Oct. 2nd, at 6 pm for a covered dish social to meet our new District Superintendent Dr. McMillan; the meeting will begin at 7 pm. Please plan to attend this meeting as we at LUMC show support for our new Superintendent.

Plans are also underway for the Blood Drive in memory of John and Wanda Beamer on Aug. 26th, Stop Hunger Now will occur again on Sep. 20th. On Oct. 11th is the Great Pumpkin Caper, which was changed from the Fall Festival; our mission committee has decided to put emphasis on group participation vs. competition during games. Don't forget our second annual Thanksgiving dinner, Nov. 27th. Keep alert for more information on these upcoming events and sign up to help, expect loads of fun and fellowship.

We continue our search for a new Choir director/ Pianist/ Organist as Sue Beazley will retire the end of Aug. How Blessed our church family has been to have had Sue as our music director and she will be greatly missed.

The Trustees are working hard on improving the outside lighting between the Fellowship Hall and our parking lot. Also, they are considering building a wall on the parking lot parallel with the sidewalk to retain the soil between the walk and the parking lot. New lights have been installed on the rear of the Fellowship Hall. New cutters will be installed on the rear of the Sunday school building. Our new Church sign is expected soon to be erected on the corner of our parking lot. Our Trustees are spending a lot of time to improving our facilities and grounds!

Richard Sherman and Josh Dillard had a very rewarding trip to El Salvador building homes for the needy Methodists. David

Haley led the team of approximately 30 participants from Eastern NC.

The next Administration Council will be Sept. 8th and Oct. 13th, both at 7 pm. Our Administrative Council meets monthly, normally on the second Monday at 7 pm in our board room. This is an open meeting, all are welcome to attend.

We are truly a God serving church. God Bless you and all our friends of Littleton United Methodist Church.

Installation Service for New DS
